HSBPA
PO Box 11632
Green Bay, WI 54307-1632

The Howard Suamico Business and Professional Association (HSBPA) offers a great opportunity to engage with other community businesses so that you may network and share your business information.

Why Join?

Advertising

The HSBPA supports your business with a website directory, a paper directory and a monthly newspaper with your business information included... That's some SERIOUS advertising!

Network

When HSBPA holds monthly meetings that offer you an opportunity to network with other members, to learn new and innovative business practices and to enjoy our community.

Events

The HSBPA offers opportunities for you to give back to the community with our Charity Golf Outing and the Taste of the Villages event. These events benefit the HSBPA scholarship fund and the Howard Suamico Giving Tree Food Pantry.

Connect

Connect with the HSBPA LinkedIn & Facebook and join the growing network of local websites by adding the HSBPA Proud Member Badge to your website to build onto your online presence!

The Community Bulletin

Our newspaper, The Community Bulletin, is available for any HSBPA member to advertise in. We have a circulation of over 15,000 each month. We also support our members by publishing articles and pictures from your business (space permitting) as well.

“We feel very fortunate to belong to the HSBPA. The association is very supportive and loyal to businesses in Howard and the community. In our business, interaction and network with other area business owners and members of the association provide us with an extremely beneficial edge. Meetings are informative and useful information is shared. We highly recommend membership in the Howard Suamico Business Professional Association to further your business and provide you with valuable networking opportunities.”
